COMPANY PROFILE

UNITED TRAVEL SERVICE (INTERNATIONAL) PVT LTD

UTS is a leading specialist in operating inbound tours to India, Nepal, Bhutan, Sri Lanka and Maldives.

Started as an entrepreneurial venture in 1977, **UTS** soon established itself in the Japanese market, and the company has grown significantly since then. More than 30 years later the business continues to grow at a healthy rate per year, and **UTS** leads the field as one of the most exciting India-specialist tour operators today.

For tailor-made holidays into the Indian Sub continent, we are arguably one of the bigger operators in India today, and our experience in this field is unmatched. Our group tours continue to be popular, thanks to the small and intimate group size, supported by flawless arrangements and attention to detail. Well-trained local professionals with first-hand knowledge of ground conditions escort the groups. Most of our escorts have undergone extensive training and understand the needs of our clients.

We are focused on quality, passionate about our destinations, fair to our clients and operate within a limited price range. This simple work ethic has given us a vast pool of happy clients and a sound financial base.

UNITED TRAVEL SERVICE (INTERNATIONAL) PVT LTD

Since we have products to suit diverse tastes and budgets, our clients come from all walks of life.

A typical **UTS** client is someone who wants to see some of the “real” India, in comfort, and would like to combine a good holiday with a stimulating cultural experience. Our clients return happy and recommend us to family, friends and colleagues. No wonder, well over a third of our sales are from client referrals.

Join us in these journeys that open a window to the soul of India, and explore the mystery, enchantment, and potential of this mysteriously fascinating nation.

For those who cannot find exactly what they want from the rigid, set itineraries of the larger companies, we urge you to talk to us for more information on our travel products so that we can craft a perfect itinerary to suit your budget and inclinations.

You will be pleasantly surprised at the value of our custom designed programmes because nobody wants to show the Indian Subcontinent as much as we do.
